Rinehimer Construction Inc. welcomes Dembinski

President Bert Rinehimer of Rinehimer Construction Inc., headquartered in Pocono Pines, continues to carve out a high-quality, ultra-custom home building and renovation niche. Many businesses have cut back, but Rinehimer's sails are set for growth. "Our objective has never been to be the biggest builder/renovator, but to be the best high-quality builder/renovator. Superior quality equals repeat business," comments Rinehimer.

The Rinehimer team welcomes Michael Dembinski as Senior Vice President! Dembinski is familiar with the local market; his accomplishments are visibly evident throughout the Lake Naomi/Timber Trails communities. Rinehimer will soon be expanding its physical presence by opening a new office at the historic business square on Route 940 in Pocono Pines.

Specializing in high-quality, ultra-custom new home building, knock-down/rebuilds, and renovations, Rinehimer boasts an excellent, varied portfolio; viable references are readily available. Personal builder/client relationships are enhanced by their significant talent and experience; they established here in 2000. Phone them at (570) 643-0894!
